

WHAT'S ON

**TRACES
DIALOGUING WITH ART**

This staging sets out to highlight the interaction between the creations of artist-stylists and artist-couturiers working from the 1930s to the present day, underscoring the various different artistic languages that have followed on from one another in an era full of major upheavals in the sphere of our society's aesthetic and figurative codes. Until January 2019. *Costume Gallery of Palazzo Pitti*

DA VINCI EXPERIENCE

Santo Stefano al Ponte hosts a tribute to Da Vinci through a multimedia experience devoted to the life and work of Leonardo. A Story-Telling about the Da Vinci

universe, obtained thanks to the multiprojections on nine gigantic screens and the magnificent architecture of the aisle of Santo Stefano al Ponte. The exhibition is enriched with numerous models of machines, code reproductions, and finally a 6-seat magic box to enter a world of special effects, lights, sounds, water, and soap bubbles. Until 7 October. *Church of Santo Stefano al Ponte Piazza di Santo Stefano, 5*

DRAGON BOAT FESTIVAL

The Arno River will host for the first time in Europe, the Dragon Boat Festival, an event involving teams of women and men, breast cancer survivors and who perform this discipline as post-operative

rehabilitative activity. The three days festival will take place along the Arno river while collateral events will be held at Parco delle Cascine. 6/8 July. *Lungarni & Cascine Park*
